

**Reuse made easy!**

- **Fund raising up to 3 M€ to scale-up and reach B/E**
- **Seeking new customers and partners**

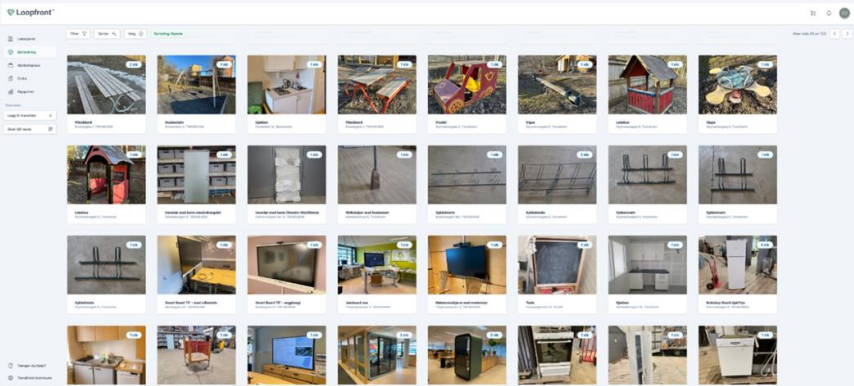

# Before you buy something new, reuse what you already have

Increase transparency of what you own - reduce cost, waste and CO2

# Significant savings realized using Loopfront

Trondheim municipality – daily reuse of building materials, office furniture, IT equipment, appliances, park equipment...

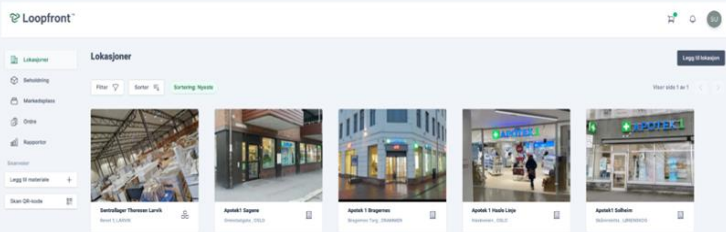

19  
MNOK

> 500t  
reduced  
waste

225t  
CO2  
reductions

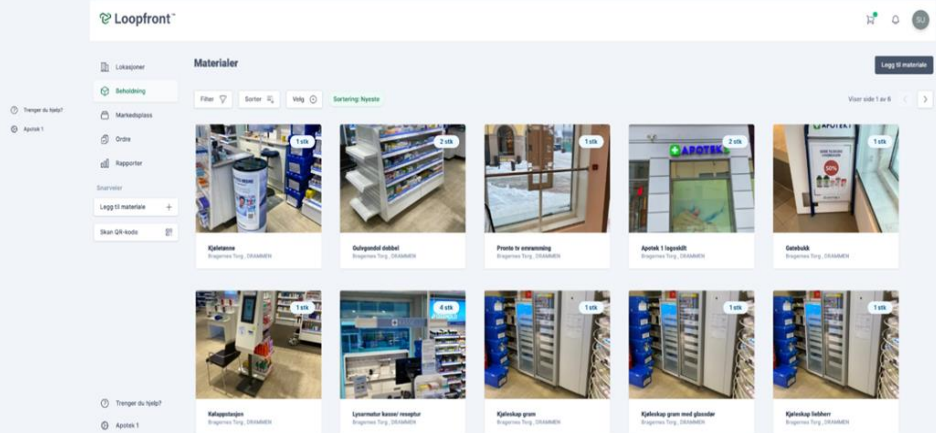

Apotek1 - pharmacy chain – reuse of shop inventory solutions when renovating a retail outlet

17t  
reduced CO<sub>2</sub>  
per shop

15-20%  
reduced cost  
per shop

X 40  
renovations  
annually

# Around 80 customers and partners - clear market leader in Norway, bridgeheads into Sweden and Germany

## Commercial real estate operators / developers

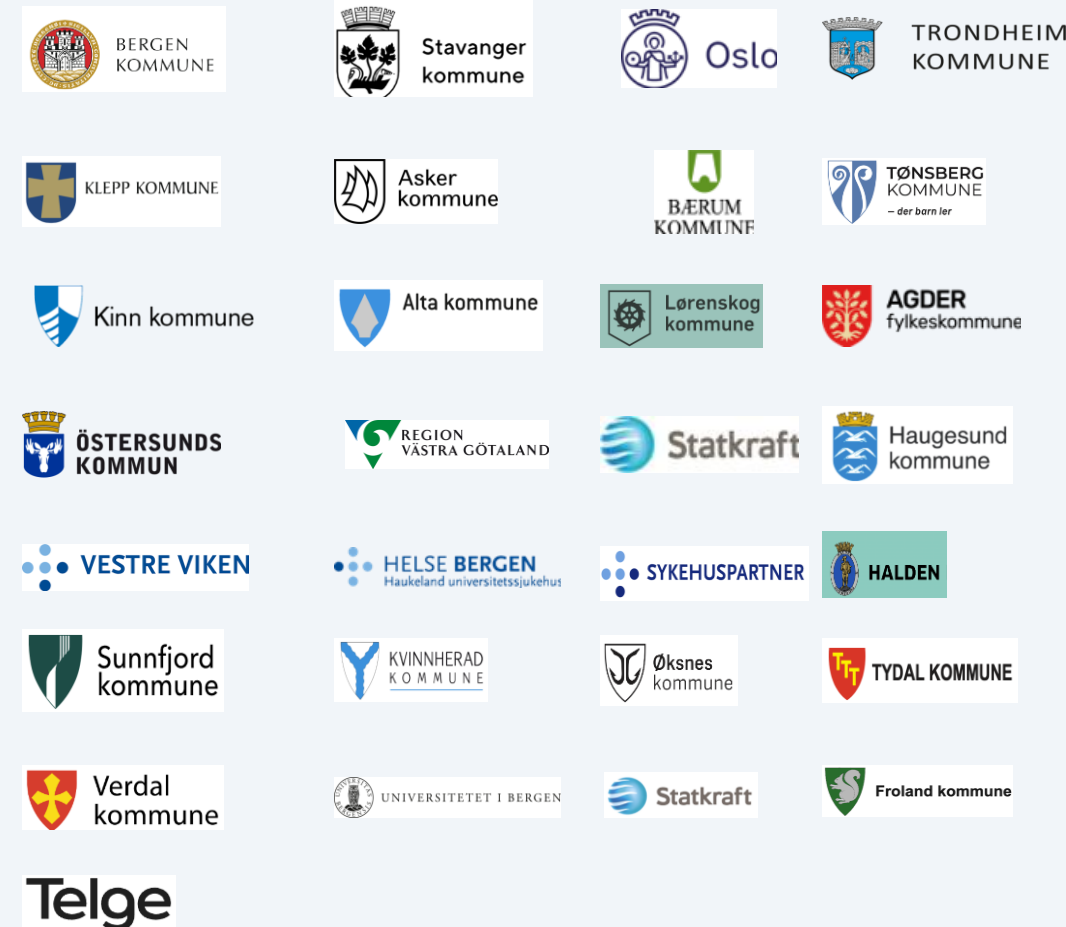

## Retail

## Other

## Public entities
