

Over Easy
Solar

Dette er historien om hvordan vi ofrer tusenvis av naturområder vi har blitt enige om å ta vare på.

Hvordan vi svikter den sårbare naturen vår, uten at vi merker det, uten at vi greier å stoppe.

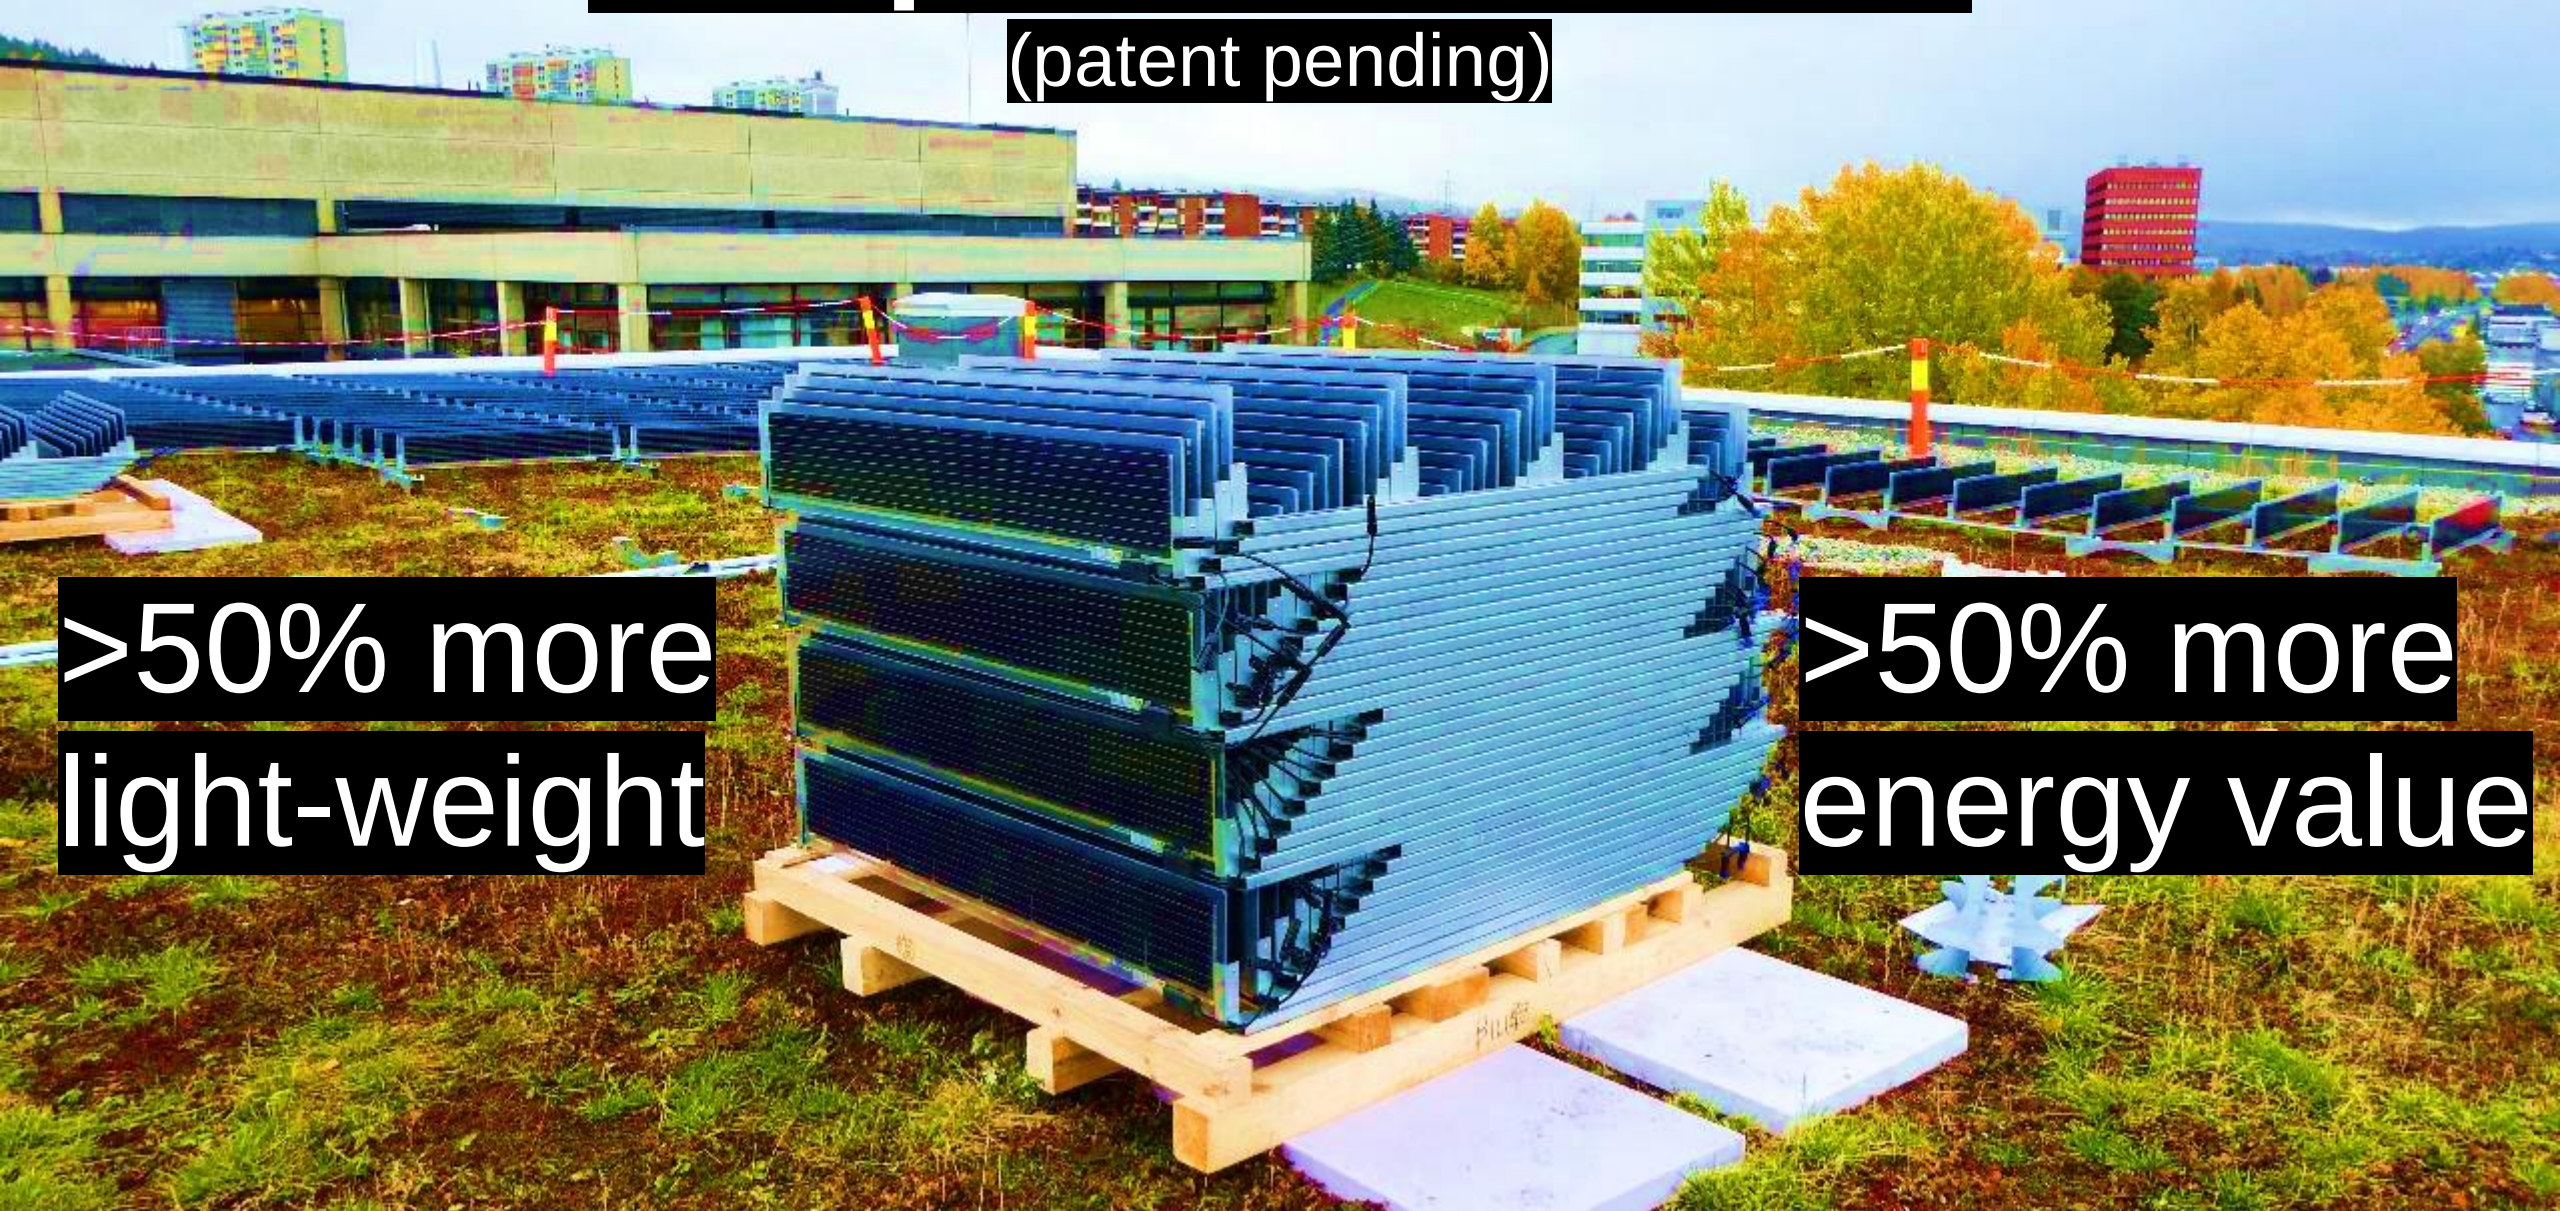

The prefab VPV-Unit

(patent pending)

>50% more
light-weight

>50% more
energy value

20 installations

7 countries

100 MNOK/year capacity

World leading partners in green roofs

20 million sqm/y

1 million sqm = 1 bn NOK revenue

Regulations in Europe and NA

Our vision, our team

Vision

 A world where all roofs generate solar energy.

Mission

 To enable more solar installations on flat rooftops

Tommy Engvik
CCO, co-founder
